

Governor's Traffic Safety Committee and SafeWNY Announce Additional 2007 Training Dates

Lancaster, NY (July 31, 2007) – SafeWNY and the Governor's Traffic Safety Committee have announced additional 2007 Child Passenger Safety Technician classes.

"The demand for Child Passenger Safety Technicians has led to the addition of these technician certification classes, will allow more exposure of Child Passenger Safety programs to the children of Western New York" stated SafeWNY President/CEO Brian S. Dadswell. "Through the additional support and funding provided by the New York State Governor's Traffic Safety Committee and the National Highway Traffic Safety Administration, we are able to provide as many as 30 more volunteers with the training, supplies, and support necessary to operate a successful program." The certification class dates are as follows:

**Erie County – September 11-14
Hamburg Fairgrounds, State Police Building**

Technician Candidates are required to attend the entire certification course, complete both the hands-on and written exams and actively participate in the checkup event in order to remain eligible for certification.

All students must register on-line at <http://www.safekids.org/certification/>.

If you do not have access to the on-line registration system you may call Safe Kids Customer Service at 1-877-366-8154 to obtain a registration form by fax or mail.
